STATE OF NEBRASKA

DEPARTMENT OF NATURAL RESOURCES

APPROVAL OF APPLICATION A-18822

WATER DIVISION 2-F

BACKGROUND

1. On October 17, 2011, Bradley J. and Shannon L. Mahon and Jeremy B. Mahon filed in the Department of Natural Resources (Department) application A-18822 for a Permit to Appropriate Water.

2. On October 25, 2011, Bradley J. Mahon filed in the Department map number 17971 showing land proposed to be irrigated under application A-18822.

ORDER

IT IS HEREBY ORDERED that application A-18822 is APPROVED subject to the following limitations and conditions:

1. The source of water is a Mahon Reservoir No. 2, constructed under storage appropriation A-18821.

2. A map of reservoir and specifications according to *Department of Natural Resources Rules of Practice and Procedure, Title* 457 *Neb. Admin. Code* Chapter 11 must be filed within six months of the signing date of application A-18821. No rights shall be deemed to have been acquired until the provisions of this paragraph have been complied with, and a failure to do so shall cause a forfieture of storage appropriation A-18821 and storage use appropriation A-18822 and all rights thereof.

3. The water shall be used for the purpose of irrigation.

4. The priority date is October 17, 2011.

5. Only the land shown on map number 17971 may be irrigated under appropriation A-18822.

6. This appropriation will be limited to the land irrigated and the amount of water beneficially used on an annual basis. Such amount shall not exceed 10 acre-feet per annum.

7. The appropriator must comply with all relevant statutes. The statutes include, but are not limited to, the following:

   A. Notify the Department of any change in ownership or address.

B. Notify the Department of the name and address of the person responsible for the use of the water appropriation (this may include farm managers, tenants, or relatives that actually apply the water to the approved use).

C. Obtain approval from the Department prior to taking any action that changes the location of the point of diversion, the location of the place of use, the type of use, or the type of appropriation.

8. The appropriator must comply with the following deadlines.

A. Construction of the diversion works must begin within twelve months of the signing date of this application approval. The appropriator must proceed diligently with the construction unless interrupted by some unavoidable and natural cause.

B. Construction of the project must be completed by two years past the signing date of this application approval.

C. The appropriation is not considered perfected until water has been beneficially applied for the purpose stated in this approval. The water appropriated under A-18822 must be beneficially used by September 1, 2014.

D. After September 1, 2014, a field investigation will be conducted to determine the acres irrigated, after which an order of cancellation will be issued for any unused portions of appropriation A-18822.

ADDITIONAL INFORMATION

Failure to comply with all laws and regulations pertaining to surface water appropriations, any orders issued by the Director of the Department of Natural Resources, or the provisions of this Approval may result in the cancellation of the appropriation, temporary closing of the appropriation, administrative penalty, criminal prosecution, or any combination thereof.

Nebraska law provides that failure to use a portion or all of a perfected appropriation for more than five consecutive years may result in cancellation of the appropriation.
