STATE OF NEBRASKA

DEPARTMENT OF NATURAL RESOURCES

APPROVAL OF APPLICATION A-19216

WATER DIVISION 1-F

BACKGROUND

1. On March 25, 2014, Michael D. and Jodi R. Damme filed in the Department of Natural Resources (Department) application A-19216 for a Permit to Appropriate Water.

2. On July 31, 2014, Michael D. Damme filed in the Department map number 19009 showing land proposed to be irrigated under application A-19216.

3. Construction has been completed.

ORDER

IT IS HEREBY ORDERED that application A-19216 is APPROVED subject to the following limitations and conditions:

1. The source of water is Damme Irrigation Reservoir, permitted under storage appropriation A-19215.

2. The water shall be used for the purpose of irrigation.

3. The priority date is March 25, 2014.

4. Only the land shown on map number 19009 may be irrigated under appropriation A-19216.

5. This appropriation will be limited to the land irrigated and the amount of water beneficially used on an annual basis. Such amount shall not exceed 154.2 acre-feet per annum.

6. This surface water appropriation shall provide additional or supplemental water for land already included under appropriation A-19214.

7. The appropriator must comply with all relevant statutes. The statutes include, but are not limited to, the following:

   A. Notify the Department of any change in ownership or address.

   B. Notify the Department of the name and address of the person responsible for the use of the water appropriation (this may include farm managers, tenants, or relatives that actually apply the water to the approved use).

C. Obtain approval from the Department prior to taking any action that changes the location of the point of diversion, the location of the place of use, the type of use, or the type of appropriation.

8. The appropriator must comply with the following deadlines:

A. The appropriation is not considered perfected until water has been beneficially applied for the purpose stated in this approval. The water appropriated under A-19216 must be beneficially used by September 1, 2018.

B. After September 1, 2018, a field investigation will be conducted to determine the acres irrigated, after which an order of cancellation will be issued for any unused portions of appropriation A-19216.

ADDITIONAL INFORMATION

Failure to comply with all laws and regulations pertaining to surface water appropriations, any orders issued by the Director of the Department of Natural Resources, or the provisions of this Approval may result in the cancellation of the appropriation, temporary closing of the appropriation, administrative penalty, criminal prosecution, or any combination thereof.

Nebraska law provides that failure to use a portion or all of a perfected appropriation for more than five consecutive years may result in cancellation of the appropriation.
