

STATE OF NEBRASKA

DEPARTMENT OF NATURAL RESOURCES

ORDER OF DENIAL OF APPLICATION CWG-2428

FOR A PERMIT FOR TO APPROPRIATE WATER

WATER DIVISION 1-D

BACKGROUND

1. On October 9, 2012, Tracy L. Weichel Karl filed in the Department of Natural Resources (Department) application CWG-2428 for a permit to conduct groundwater in a stream channel located in Section 21, Township 5 North, Range 3 East of the 6th P.M. in Saline County.
2. On October 11, 2012, Tracy L. Weichel Karl filed in the Department map number 18333 showing land proposed to be irrigated under application CWG-2428.
3. The Lower Big Blue Natural Resources District (District) was consulted and had objections to the application. Application CWG-2428 does not conform to the District's rules because of the inefficiencies and losses related to conducting groundwater through an open stream.
4. In conclusion, because the District regulates groundwater and has expressed concerns with regard to application CWG-2428, the Department should deny application CWG-2428.
