DEPARTMENT OF NATURAL RESOURCES

ORDER OF CANCELLATION IN FULL OF WATER APPROPRIATION A-18996

WATER DIVISION 1-D

BACKGROUND

1. Records on file in the Department of Natural Resources (Department) show that surface water appropriation A-18996 is held by Darrell D. and Sue A. Bruns.
2. Appropriation A-18996 has a priority date of December 26, 2012, and authorizes the appropriator to store 14 acre-feet of water in Wildcat Reservoir No. 1. Wildcat Dam No. 1 will be located in the SW¹/₄NE¹/₄ of Section 20, Township 2 North, Range 8 East of the 6th P.M. in Gage County.
3. On May 30, 2013, the Department approved application A-18996. The approval of application A-18996 was conditional upon a map of reservoir and specifications according to *Department of Natural Resources Rules of Practice and Procedure, Title 457 Neb. Admin. Code Chapter 11* being filed within six months of the signing date of the application.
4. On November 26, 2013, Darrell Bruns filed petition EOT-4870 in the Department requesting an extension of time to November 30, 2014, in which to file a map of reservoir and specifications. This petition was filed in a timely manner prior to the November 30, 2013, deadline which would have been six months after the signing date of the application approval. The reasonable cause stated in the petition requesting an extension of time for filing a map of reservoir and specifications for this project was that the survey could not be completed due to weather related setbacks.
5. On December 20, 2013, the Department granted petition EOT-4870 for an extension of time in which to file a map of reservoir and specifications for Wildcat Reservoir No. 1, storage appropriation A-18996. The date for filing the map of reservoir and specifications for A-18996 was extended to November 30, 2014.
6. The map of reservoir and specifications were not filed in the Department by the November 30, 2014, deadline.
7. Therefore, appropriation A-18996 should be cancelled.

IT IS HEREBY ORDERED that appropriation A-18996 is CANCELLED.
